

KOPR

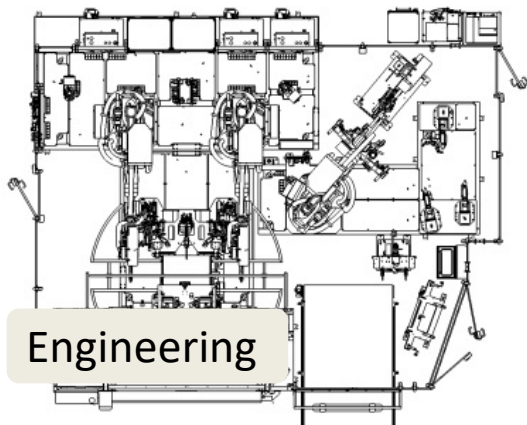

spol. s r.o.

ESTABLISHED IN 1992

Manufacturing
automation

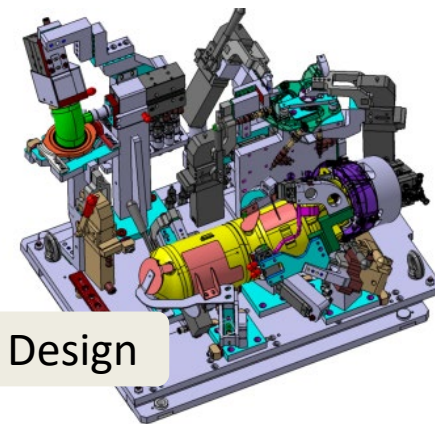

Turnkey deliveries of production devices

Engineering

Simulation

Design

Manufacturing

3D control

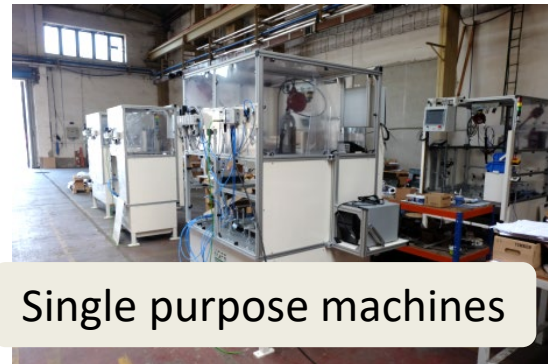

Comissioning

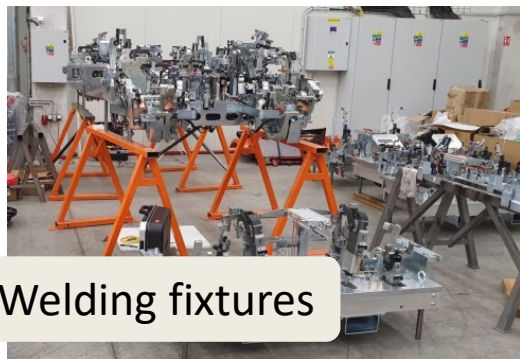

Production lines

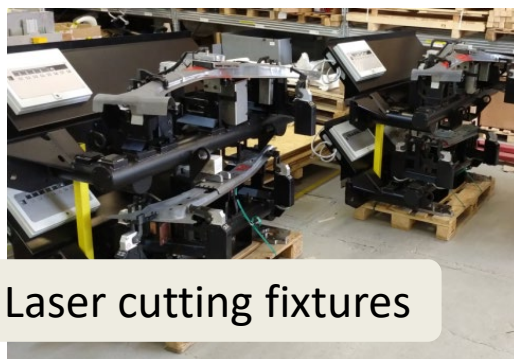

Robotic cells

Single purpose machines

Welding fixtures

Laser cutting fixtures

Checking fixtures

Company locations

KOPR spol. s r.o.
registered address
Michelská 367
140 00 Praha 4
Czech republic

Horní Počernice
business address
K Bílému vrchu 18
193 00 Praha 20
Czech republic

KOPR Slovakia s.r.o.
plant Košice
Južná trieda 78
040 01 Košice
Slovakia

Company capacities

Simulation:

Process Simulate

1x

Design:

CATIA v5

12x

Solidworks

10x

Manufacturing:

Conventional
machines

9x

Production of parts in cooperation

Up to 8000h/month

Assembly & Commissioning:

2000 m²

Up to 4000h/month

3D measuring:

Leica laser tracker
(CZ)

1x

Hexagon absolute
arm (SK)

1x

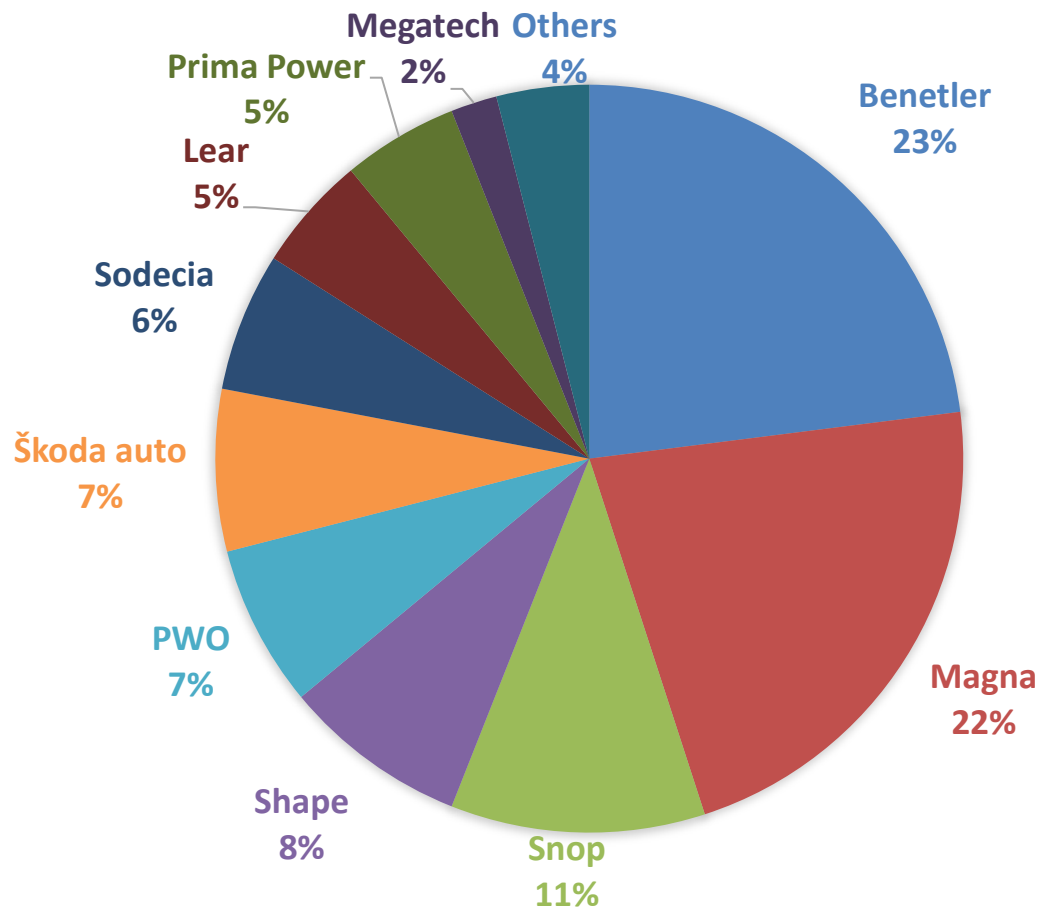

Our customers

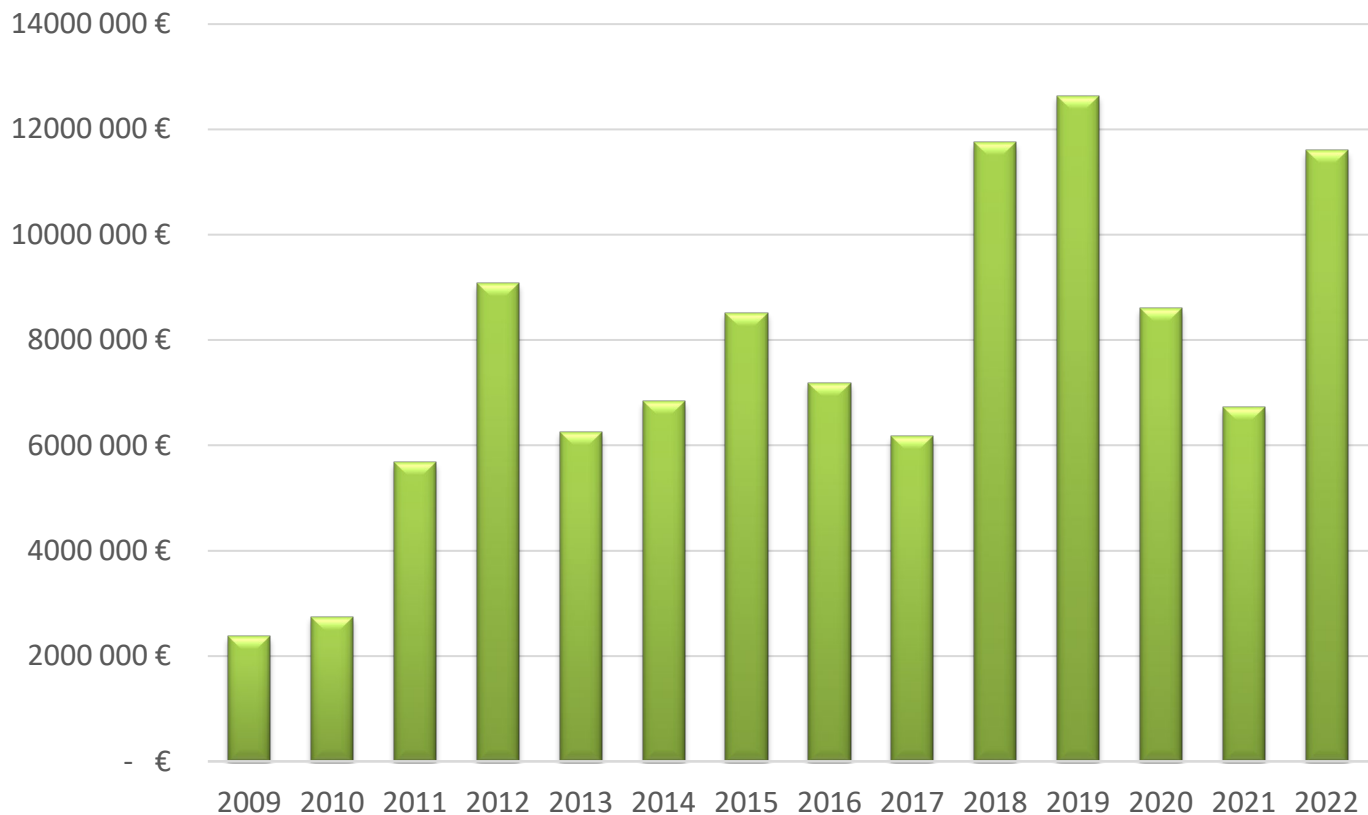

ŠKODA

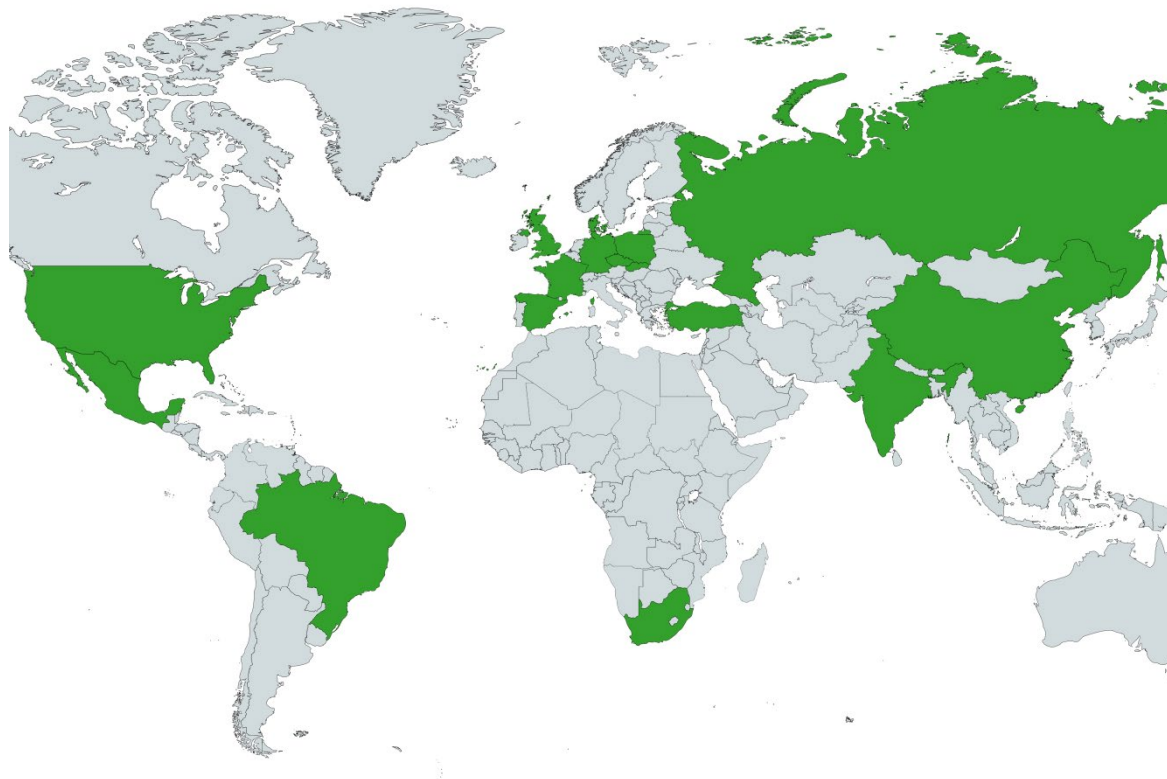

Proportion of sales to customers in last 5 years

Annual turnover of KOPR group

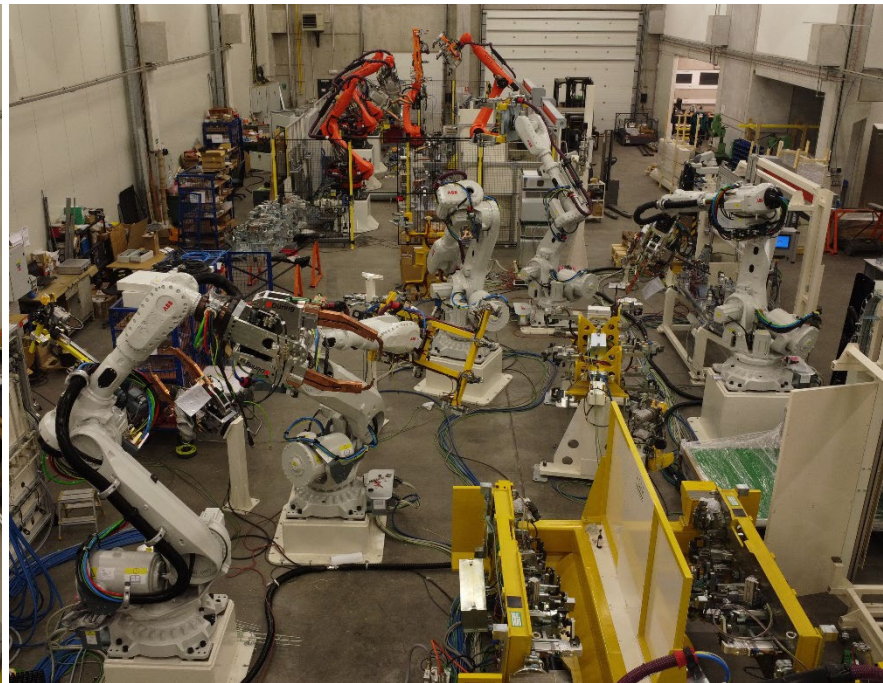

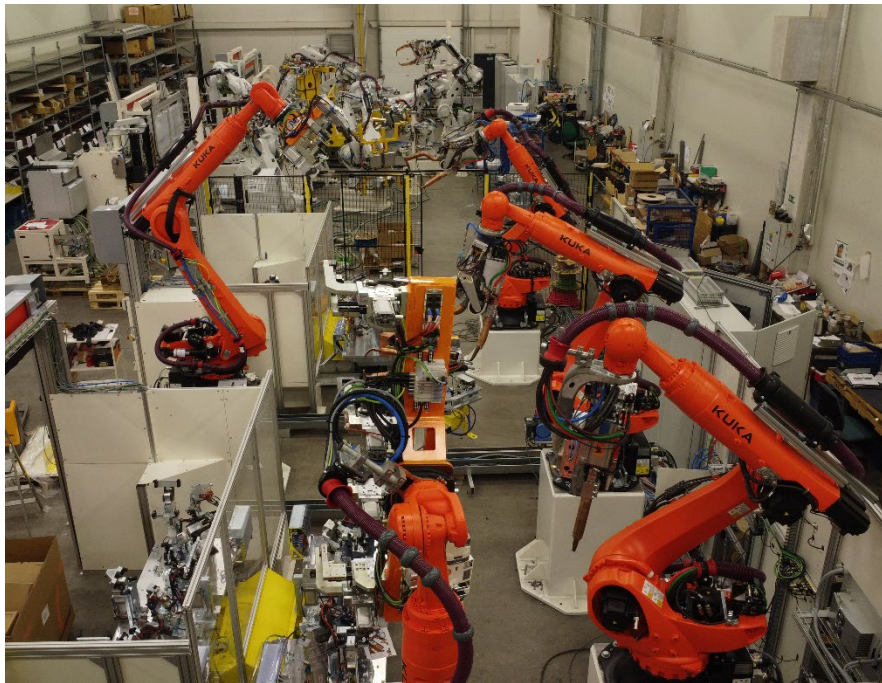

Worldwide deliveries

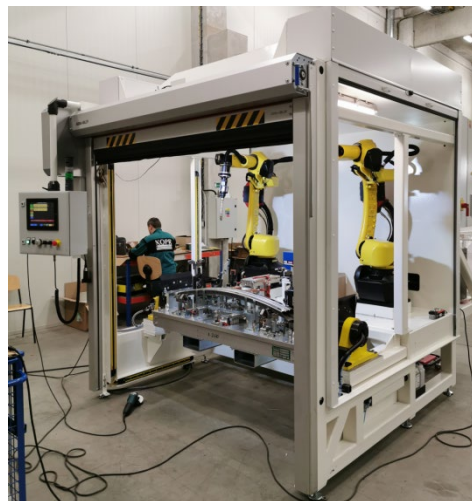

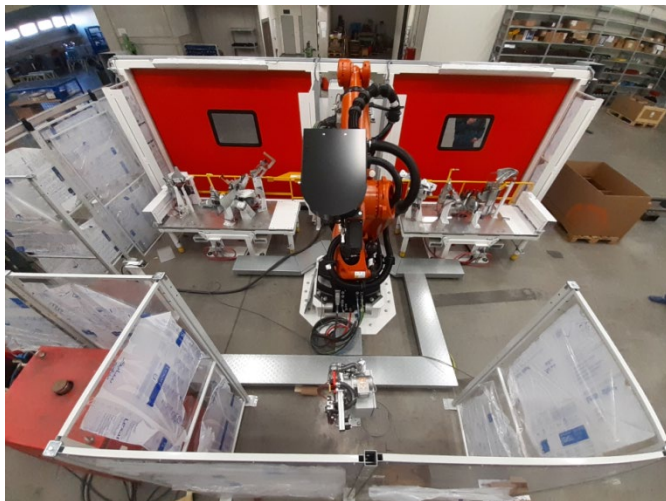

Robotic welding lines

Robotic welding lines

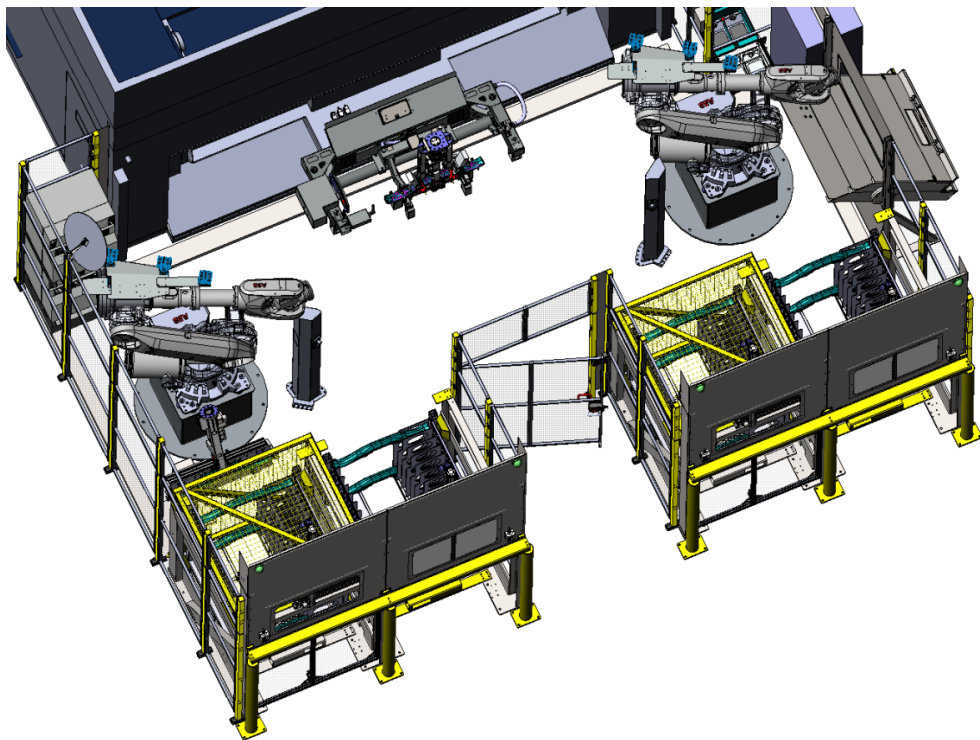

Robotic cells

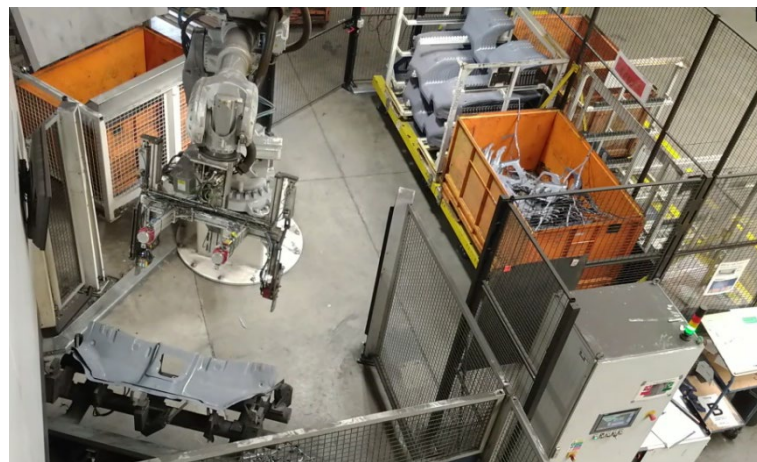

50+ cells
manufactured

3D Laser cutting machines automation

Single purpose machines

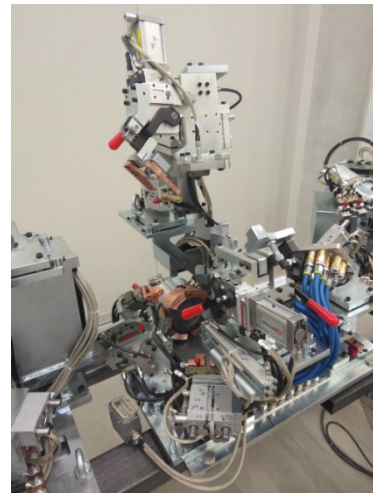

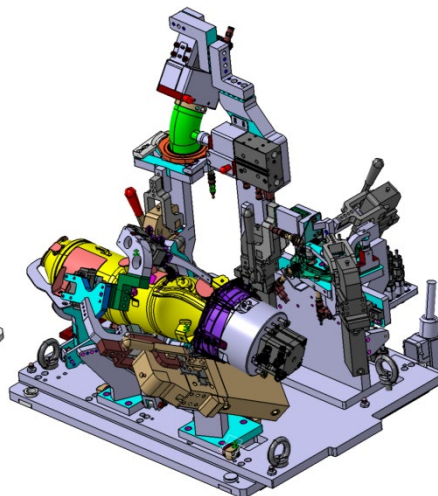

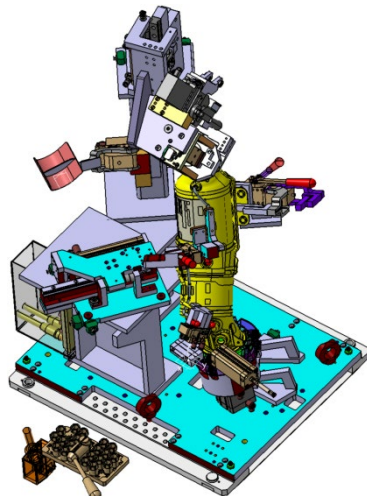

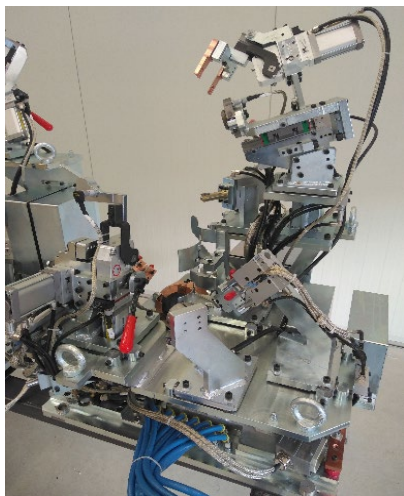

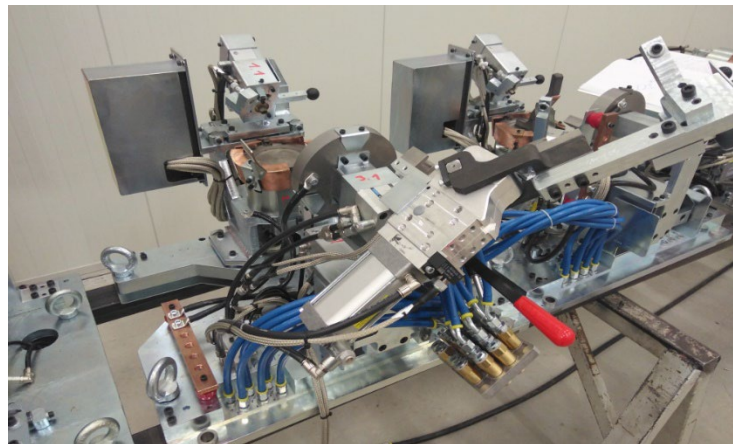

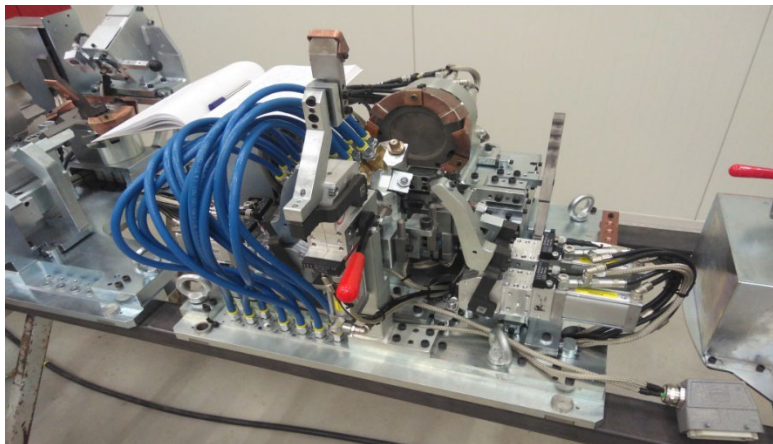

Welding fixtures

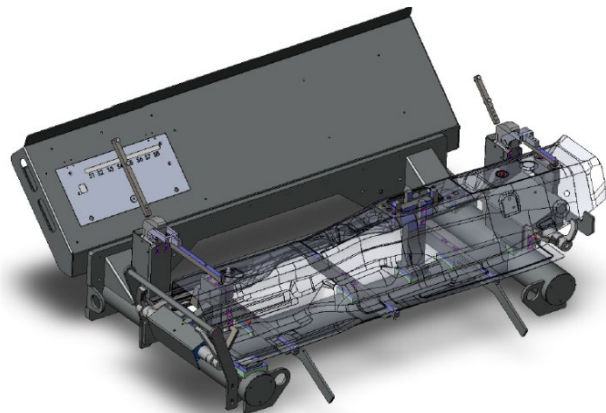

50+ robotic
fixtures a year

Welding fixtures for exhaust systems

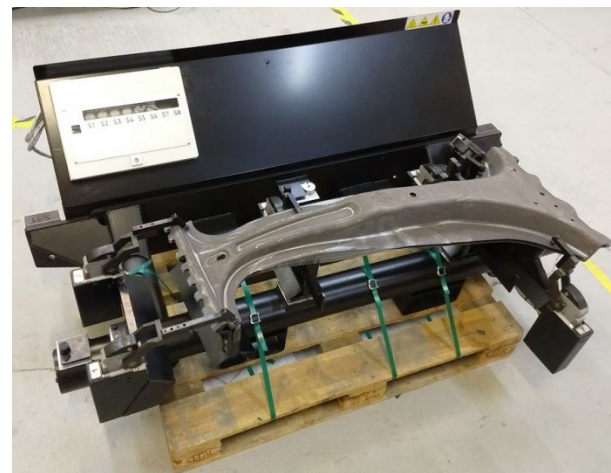

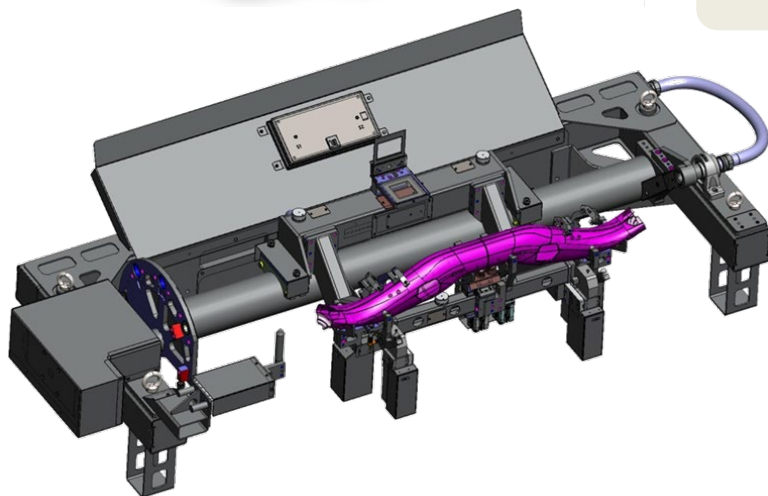

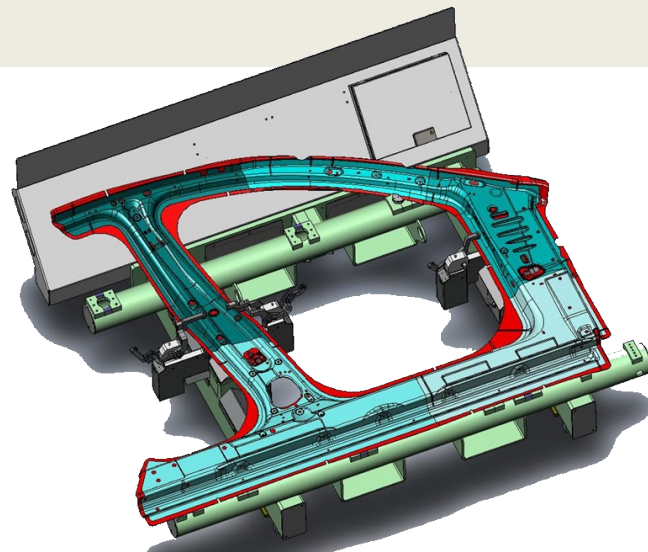

3D Laser cutting fixtures

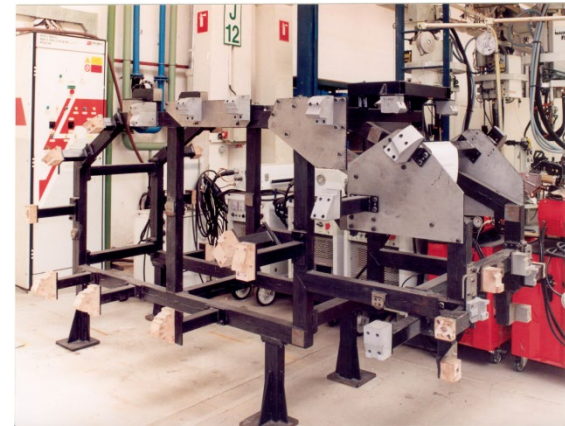

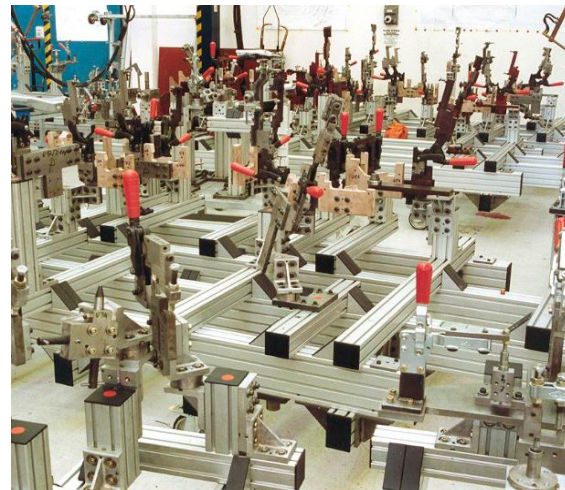

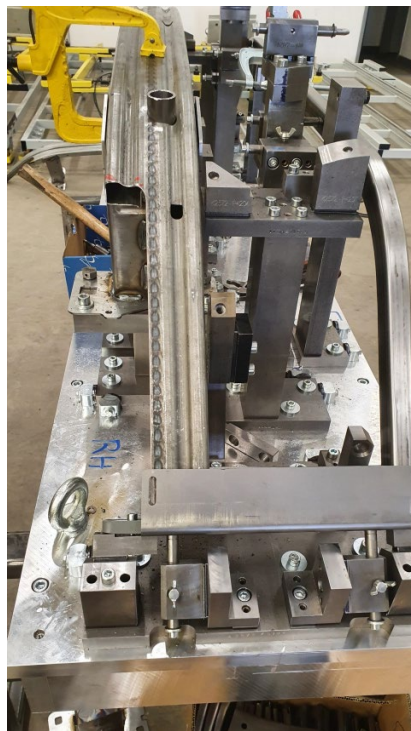

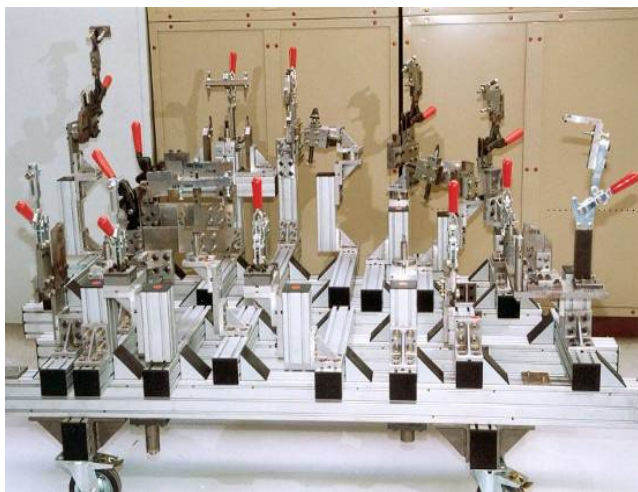

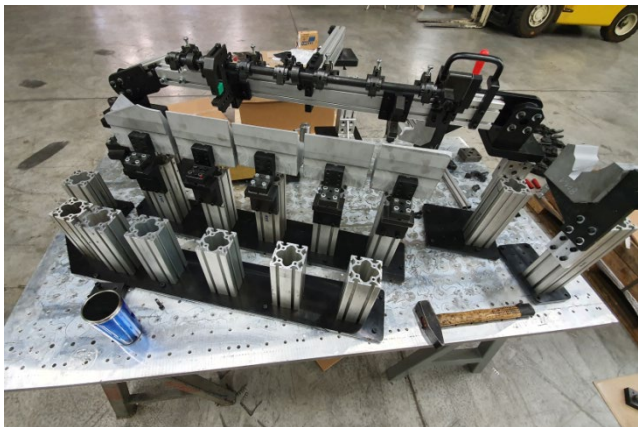

1000+ fixtures
delivered

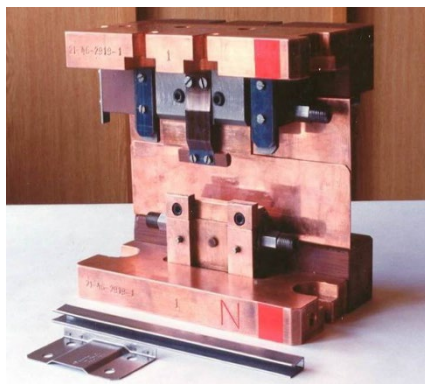

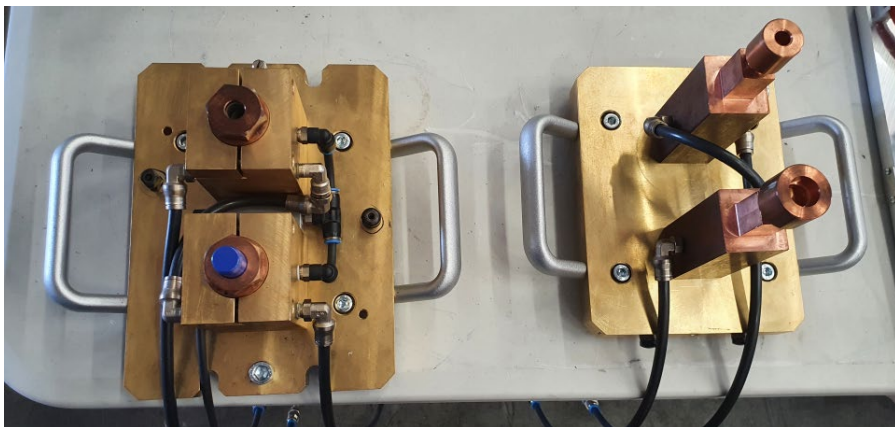

KOPR base frame
design

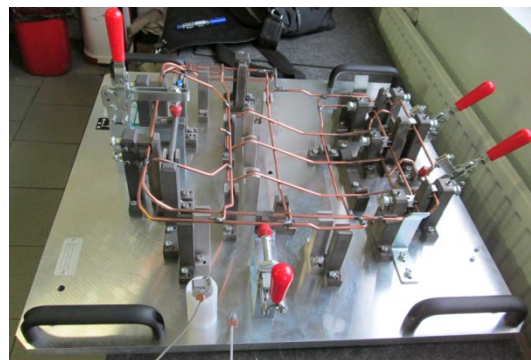

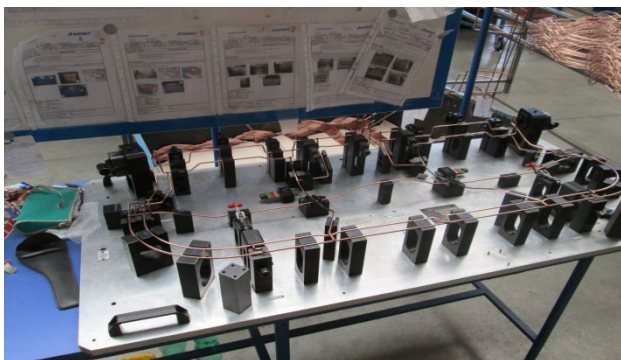

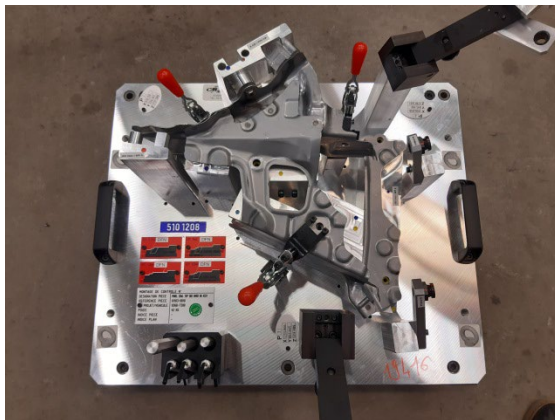

Pre-series welding fixtures

Welding press and projection welding fixtures

Checking fixtures
